¹ An application for renewal of this permit must be made at least 21 days prior to the expiry date.

¹ If the dog is desexed, a veterinary surgeon's certificate must be attached to the application

Conditions of Permit

1. Owner must ensure the dog is desexed within 3 months of the restricted dog permit being issued or the dog reaching 6 months of age, whichever is later.
2. The dog must be implanted with a prescribed Permanent Implantation Device (PPID)
3. The dog must, at all times, wear a collar with an attached identification tag. The tag must be:
 - Made of metal or plastic; and
 - In the shape of a disc; and
 - At least 50mm in diameter; and
 - Engraved with the words 'Restricted Dog' and a 24 hour contact telephone number for the owner or responsible person for the dog.
4. The dog must be muzzled in a public place and must be under the effective control of someone who has the control of no more than 1 dog at the same time.
5. An enclosure for the dog must be maintained at or on the address in the registration notice for the dog and must be childproof and stop the dog from leaving the enclosure. The enclosure must:
 - Allow access to the front entrance of the house so that a member of the public seeking access to the front entrance does not have to enter the enclosure
 - Be at least 300m² and must not include any area that is a swimming pool or area surrounding a swimming pool
 - Be at least 1m high above ground level if the dog is 8kg or less or be at least 1.8m high above ground level if the dog is more than 8kg
 - Consist of firm and strong materials and walls designed to prevent children from climbing into the enclosure. The walls may include a perimeter fence for the relevant place or an exterior wall of a structure if it complies with all other requirements of the enclosure
 - Include a weatherproof sheltered area appropriate for the dog
 - Include a gate which must be childproof, self-closing and self-latching; and comply with the requirements for the enclosure and which must not be a vehicle access gate

The enclosure may have another gate that is not self-closing and self-latching if it is not a vehicle gate, complies with requirements for the enclosure, and is kept securely locked whenever it is not in immediate use.
6. A sign/notice must be placed at or near each entrance to the enclosure or place where the dog is usually kept notifying the public that a restricted dog is kept there and must:
 - Be 360mm in height and 260mm in width
 - Consist of firm and strong materials with a black background
 - The sign must contain the following information – 'BEWARE OF THE RESTRICTED DOG'; and the words 'declared under the *Animal Management (Cats and Dogs) Act 2008*'
 - The information on the sign must be in white letters that are 50mm in height, indelible legible and in upper case
7. The dog must not be usually kept at a place other than the place stated in the registration notice as the address for the dog
8. If the permit holder obtains another restricted dog permit for the dog subject of the permit, the permit holder must immediately give the local government notice of the other permit
9. The permit holder must advise the local government of any change in their residential address within 7 days after making the change. If the new residential address is in another local government area, the permit holder must also give notice to the other local government.
